Frequently Asked Questions

WHY TISK?

Because good design isn't about replacing everything. It's about making thoughtful decisions that create a home you'll enjoy living in every day.

CAN YOU WORK WITH FURNITURE I ALREADY OWN?

Yes. In fact, it's one of our favourite ways to design. We love mixing existing pieces with carefully chosen new finds.

DO YOU WORK VIRTUALLY?

Yes. Many of our services can be delivered remotely throughout the UK.

HOW LONG DOES A PROJECT TAKE?

Every project is different, but we'll always provide a clear timeline before work begins and keep you updated throughout.

WHAT IF I DON'T KNOW WHICH STYLE I LIKE?

You don't need to. Part of our job is helping you discover what feels right for your home and your lifestyle. Together, we'll create a space that feels timeless, personal and unmistakably yours.

DO I NEED A LARGE BUDGET?

Absolutely not. Every project is different and we'll always recommend where to invest and where you can save.

HOW WILL WE COMMUNICATE?

We'll keep in touch throughout via your preferred method, with regular updates at every stage.

DO YOU SOURCE FURNITURE & ACCESSORIES?

Yes. We'll recommend pieces that suit your home, lifestyle and budget, balancing investment items with affordable finds where appropriate.

WHAT HAPPENS AFTER I ENQUIRE?

We'll arrange an initial conversation to learn more about your home, your goals and how you live. From there, we'll recommend the service that's the best fit and provide a tailored quotation.

CAN I ADD ANOTHER ROOM LATER?

Of course. We can extend the design to additional spaces whenever you're ready. Many clients start with one room before moving onto the rest of their home.

DO YOU ONLY WORK ON COMPLETE ROOM RENOVATIONS?

No. Whether you need reassurance choosing paint colours, help furnishing a single room or a complete redesign, there's a service to suit your project.

Before We Get Started

PAYMENT SCHEDULE

A 50% deposit is required to secure your project. The remaining balance is due before your final design presentation. Additional services and procurement are invoiced separately where applicable.

PRICES ARE STARTING PRICES

All prices shown are starting prices and are based on a standard room size. Larger spaces, open-plan layouts or projects requiring additional design time may be quoted individually.

ADDITIONAL ROOMS

Additional rooms or spaces quoted separately.

ORDERING & PURCHASING

If you'd like us to manage ordering and supplier communication on your behalf, this can be added as an optional service.

CANCELLATIONS

Deposits are non-refundable once design work has commenced.

REVISIONS

Each design package includes one round of revisions to ensure the final design feels right for your home. Additional revisions can be quoted if required.

TRAVEL

Projects within East London are included. For projects further afield, any additional travel costs will always be discussed in advance.

TIMELINES

Every project is different. We'll provide an estimated timeline before work begins and keep you updated throughout the design process.

No two homes or clients are the same. If you're unsure which service is right for you, we'll guide you towards the option that best suits your home, lifestyle and budget.

Ready to begin?

Your home doesn't need to be perfect. It just needs to feel like yours.

If you're ready to create a home that's thoughtful, personal and built around real life, we'd love to hear from you.
